

Dear Friend,

Thank you for your interest in the A.M. McGregor Home Assisted Living. Enclosed are an application, health questionnaire, and further information that will be needed in order to complete your application.

While there are many Assisted Living facilities out there, we at McGregor feel you will find that our all-inclusive rates and beautiful facility will make for a wonderful home in a caring, supportive environment.

While we would like everyone who applies to live here there are some reasons why a person would not be appropriate. This includes anyone who would be considered at risk for wandering, someone who has extensive care needs such as: incontinence that cannot be managed by the resident, inability to feed himself/herself on an ongoing basis, extensive assistance with transfers and ambulation, and someone who could potentially be harmful to themselves or others.

When you first called for information you were asked some basic questions about yourself and how you currently got along. Now that you have expressed more interest, you or your loved one will be asked more questions about your day-to-day living. Please answer to the best of your ability, as we want to make sure that McGregor can meet your needs. We know how hard it is to make changes and we want you to be successful.

After you have completed the application please return it to our Marketing Coordinator. She will go over the information and share it with the Assisted Living Director and/ or Wellness Coordinator. Together they will decide if McGregor is able to meet your needs.

Prior to moving in you or your responsible party will need to select a suite. If the suite size you want is not available we will place your name on our waiting list and notify you when one is available.

Once you have been accepted your physician will need to sign papers to continue following you once you have moved here. When the decision to move in is made and an apartment is available you will be asked for a \$1000.00 application fee. The check should be made out to A. M. McGregor Home. It is anticipated that you will move in within thirty (30) days or rent will begin.

During any of this process please do not hesitate to call if you have any questions. Our Marketing Coordinator, Admissions Coordinator and Assisted Living staff looks forward to working with you.

Sincerely,

Pat Baskin
Assisted Living and Senior Housing Director
